be put in comparison with it.

In the Senate, Mr. Clemens, of Alabama, made a brilliant repty to the advocates of Intervention, and a-

United States Senate. Monday, Feb. 2, 1852.

AMENDMENTS TO THE CONSTITUTION. Mr. Johnson of Tennessee, I ask the unanimous consent of the House for the introduction of the following joint resolution, proposing unendments to the Constitution of the United States, viz:

Associate, &c., That the following amendments to the Constitution of the United States be proposed to the Legislat tres of the several States, which when ratified by the Legislatures of three fourths of the States, shall be valid to all intents and purposes, as part of the Constitu-

people of the respective States, in the manner following: Each State shall be divided by the Legislature thereof, into districts, equal in number to the whole number of Senators and Representatives to which such State may be entitled in the Congress of the United States; the said districts to be composed of contiguous territory, and to contain, as nearly as may be, an equal number of persons entitled to be represented under the Constitution, and to be laid off for the first time, immediately after the ratification of this amendment, and afterwards at the session of the Legislature next ensuing the apportionment of representatives by the Congress of the United States; that, on the first Thursday in August, in the year eighteen bundred and fifty-six, and on the same day every fourth year thereafter, the citizens of each State who possess the qualifications requisite for elec-tors of the most numerous branch of the State Legislatures, shall meet within their respective distric s, and vote for a President and Vice President of the United States, one of whom at least shall not be an inhabitant of the same State with themselves; and the person receiving the greatest number of votes for President, and the one receiving the greatest number of votes for Vice President in each district, shall be holden to have received one vote; which fact shall be immediately pertified by the Governor of the State, tachment. Whilst one is in the ardent pursuit State, and to the President of the Senate and the Speaker of the House of Representatives.—
The Congress of the United States shall be in Session on the second Monday in October in the year eighteen hundred and fifty-six, and on the same day on every fourth year thereafter; and by selfish ends; but on this occasion no such difthe President of the Senate, in the presence of the Senate and the House of Representatives, shall open all the certificates, and the votes shall shall open all the certificates, and the votes shall then be counted. The person having the greatest number of votes for President, shall be President, if such number be equal to a majority of the whole number of votes given; but if no person have such majority, then a second election shall be held in the month of December then next ensuing, between the persons having the cuestioned. then next ensuing, between the persons having be questioned. the two highest numbers for the office of President; which second election shall be conducted, Gentlemen, I request you to accept yourselves. the result certified; and the votes counted, in the and to communicate to my absent friends whom same manner as in the first; and the person hav- you represent, my cordial and heartfelt thanks ing the greatest number of votes for President, and my grateful profound acknowledgments, for shall be President. But if two or more shall this rich tribute to the sentiments which they have received the greatest, and an equal number do me the honor to entertain towards me. I of votes, at the second election, then the person should have been most happy to express my who shall have received the greatest number of great obligations to all of them personally, if it votes in the greatest number of States, shall be had been in my power. President. The person having the greatest number of votes, for Vice President, at the first contemporaries and of the present generation to jority, then a second election shall take place be to the other. tween the persons having the two highest num- It is not within my legitimate province to exbers, on the same day that the second election is press any opinion of my own public career or held for President; and the person having the public deeds. That office belongs to them, and highest number of the votes for Vice President, I consider my future fame fortunate if it shall shall be Vice President. But if there should be regarded by them with a small proportion of happen to be an equality of votes between the the favor with which the partiality of yourselves persons so voted for at the second election, then the person having the greatest number of votes in the greatest number of States shall be Vice help tribunal than any earthly one, which can unerringly judge of the motives as well as the

the expiration of the twelfth year, so that one Clay proceeded to a more minute examination third may be chosen every fourth year thereafthe Medal, at which he had, previous to replying cursority glanced. It is of pure California gol The article as amended, will read as follows: massive and weighty, and is enclosed in a sile Secrios I. The sudicial power of the United of a hunting watch. On the face of the medal is a fine head of Mr. Glay, most felicitous in the likeness, and conveys the characteristic impression of time may ordain and establish. The sion of his features in a higher degree than any of the supreme and interior courts of the busts or medallons usually seen. The case, which opens with a hinge, in the mann-

Compromise 1850.

The joint resolution was read a first and second time by its title, referred to the Committee and hemp, are very hannily interwined.

On the silver case is represented on one side a view of the Capitol, (with its contemplated additional wings fully displayed;) and on the additional wings fully dis Mr. Dodge, of Iowa, presented a document other, in two distinct compartments above, an in favor of the construction of a line of railroads elevation of the great commemorative Monument from Lafayette, through Peoria and Burlington, on the Combertand road; below, a view of Ash-

the head, as giving his features with great truth-Presentation of a Medal to Mr. Clay. fulness, but playfully remarked that he did not The friends of Mr. Clay, in the City of New know before that his nose was quite so promition:

That hereafter the President and Vice President of the United States shall be chosen by the people of the respective States, in the manner.

The following is Mr. Clay's rediction:

Who can tell, but fifty or a hundred years hence, some Goth may get hold of this and say the nose of this old dead fellow will serve to buy GENTLEMEN: This is among the most inter- me a great many things that I want, and may Gentlemen: This is among the most interesting and gratifying days of my life, although carry it off? However, it is a capital likeness, I have been confined to these rooms for a long time by a tedious and doubtful illness. You have come here, the representatives of a large and enlightened body of ardent and devoted friends of lightened body of ardent and devoted friends of south and the proceedings of the county will be received by the undersigned fault; for my face never retains long the same agreat many things that I want, and may carry it off? However, it is a capital likeness, I think." The artists, said Mr. C., have not generally succeeded well in taking my features, but that has been in a great measure, my own fault; for my face never retains long the same lightened body of ardent and devoted friends of fault; for my face never retains long the same satisfied with the action of a majority of their brethren. Monroe, Macon, and Scotland have the Hannibal and New London, while the Hannibal and New London Plank Road, with the extension of their brethren. Monroe, Macon, and New London, while the Hannibal and New London, while the carry it off? However, it is a capital likeness, in this Congressional District, and the proceeding of all harmonise with each other, with the exception of Cole. The Jefferson Inquirer, however, when the carry it off? However, it is a capital likeness, in this Congressional District, and the proceed with the each other, with the exception of Cole. The Jefferson Inquirer, however, when the carry it off? However, it is a capital likeness, in this Congressional District, and the proceed to the carry it off? However, it is a capital likeness, in mine in the city of New York, to present to me a beautiful and costly gold medal, intended to commemorate my public life. On one face of it is engraved all the great public measures a- intentionally—for he seldom compliment, not intentionally—for he seldom compliment any dopted in the National Councils in which I was man but, without intending it, he paid me what supposed to have had any conspicuous agency, and on the other a remarkable and accurate like-

From Store,

U. S. House of Representatives, Monday, Feb. 2, 1852.

Mr. Doty, by unanimous consent, introduced a bill, of which a previous notice had been givenentitled "A bill to establish a public printing office, and to provide for the appointment of a Su-perintendent of Public Printing;" which was referred to the Committee of the Whole House,

The following petitions were referred to the

appropriate committees: By Mr. Porter: A memorial signed by J. K Sheeley, and four others, commissioners of the Asylum for the Deaf and Dumb, recently es-

and ordered to be printed.

tablished by the State of Missouri, at Fulton, in said State, asking a donation of public land for the use and benefit of said asylum.

By Mr. Churchwell: "The memorial of E. Wil-

The lines are supported on either hand by tasteful wreaths, in which the six chief American staples—wheat, corn, cetton, tobacco, rice, and hemp, are very hannily interwined.

On the silver case is represented on one side a view of the Capitol, (with its contemplated

form rate of postage throughout the United States and Territories. By Mr. Moore, of Pennsylvania: The memo-rial of John S. Littell, asking for per diem, mileage, &c.. for contesting the seat of J. Rob-

bins, Jr., in the 31st Congress. By Mr. Chandler: The memorial of sundry citizens of Illinois, asking for a grant of public land to aid in the construction of a railroad from Burlington, on the Mississippi, to the Missouri

Meetings have been held in Howard, Cole Boone, Monroe, Randolph, Macon and Scotland, in this Congressional District, and the proceedinstructed their delegates to vote for Mr. Green; Cole has instructed for Mr. Lusk, of the Inquirer. The other counties left their delegates uninstructed .- Canton Reporter.

Married,

In Washington City, D. C., the 18th ult., Margaret H. Peyto daughter of the late Col. Frm. C. Efgin, of this city, aged 5 year Within the last eighteen months, mother, father and daughte have been called from time to eternity. COHEN has just received a lot of Cuff Pins, Breast pins, Earrings, and Silver Spowns, which he of-fers to sell low for cash. feb26-2t

RANDOLPH HOUSE, MAIN STREET, IN THE CENTRE OF HUNTSVILLE, MO.

The weather for the past few days has been remarkably fine, and business very lively. The packets have resumed their regular trips. Bacon sells readily at the figures given below, but it is thought these rates cannot lot be maintained. It will not pay, at present prices, to stip either to St. Louis or New Orleans.

THIS well known stand, which was formerly kept by Withers, and also by Goggin & Brotherford, having changed hands, is now kept by the subscriber, who has purchased the above property—takes this method to inform his friends and the public generally, that he is prepared to accompodate all who may favor him with a call—and to furnish his table at all times with the best the market and country affords, and to spare no pains to make his guests comfortable while they may make their stay with him. He deems it unnecessary to say any thing in recommendation of his manner of keeping a public house, having had several years experience in the business, is satisfied to leave that to those who have or may hereafter patronise him.

13 The Stages for Glasgow and Hannibal leave his house every other day.

JOHN B. SMITH. There is attached to the above House a first rate

Stable, which is previded with Hacks, Buggies and Riding Horses, of the best, for the accomodation of all who may wish to use them for pleasure or otherwise, ke of by Hu. tsy He, Feb. 18, 1852.
